Treaſury-Department, Sept. 28, 1790.

THE following regulations, have been adopted towards carrying into execution the act, making provision for the debt of the United States.

WHEN a transfer is to be made from one perſon to another, the *certificate* or *certificates* of the debt to be transferred, muſt be produced at the proper office, in order that the ſame may be cancelled, and a new one, or new ones iſſue, as the caſe ſhall require.

When a transfer is deſired from one office to another, application muſt in the firſt inſtance be made to the office where the credit exiſts, whereupon the certificate or certificates of the debt to be transferred will be cancelled, and a ſpecial one granted, as a voucher to the Secretary of the Treaſury; upon the production and delivery of which to him a warrant will iſſue to the office, to which the debt is to be transferred, where the buſineſs will be compleated. The form (A) at foot hereof, has been adopted for letters of attorney, to make transfers, which, and the directions for compleating it, it is expected will be carefully obſerved.

In every caſe of a transfer of the ſubſcribed or *ſpecial* debt, the new certificate will bear intereſt, only from the firſt day of the quarter, *in which* the transfer is made. The unpaid intereſt which may have accrued prior to that quarter, will be paid only to the perſon, who was ſtockholder at the time it accrued, or to his *ſpecial* aſſignee.

Fourteen days before the expiration of each quarter, the books of each office will be cloſed; ſo that no tranſ-

will be made, nor except at the Treasury, will any subscriptions be received, or old certificates exchanged for new ones, on the application of non-subscribers, *during that period*. This, the proper distribution of the funds, and the preservation of order render indispensible.

On the subscribed or funded debt, interest as it becomes due, will be paid without production of the certificates issued for the same. On the unsubscribed debt, if any there shall be, the production of the certificates will be necessary, in order to the receipt of the interest, and an indorsement of the payment of it upon the certificates. This however, in consideration of the risk and inconvenience of transmission, will not be required of those who hold certificates of the Register of the Treasury, and reside out of the United States. The form (B) at the foot hereof, of a letter of attorney for receiving interest, and the directions herewith, it is expected will be carefully pursued.

"*At a Convention of the Committees of the General Assembly of the Presbyterian Church in the United States of America, and of the General Association of the State of Connecticut, on Wednesday the 14th of September, 1791, in the Chapel of Yale-College.*

"CONsidering the importance of universal harmony in the Christian Church, and the duty incumbent on all its pastors and members to assist each other, in promoting, as far as possible, the general interests of the Redeemer's kingdom; and considering further, that Divine Providence appears to be now opening the door for pursuing these valuable objects, with a happy prospect of success;

"This Convention are of opinion that it will be conducive to these important purposes, that a standing Committee of Correspondence be appointed in each body, whose duty it shall be, by frequent Letters, to communicate to each other whatever may be mutually useful to the Churches under their care, and to the general interest of the Redeemer's kingdom.

"That each body should, from time to time appoint a Committee consisting of three members, who shall have a right to sit in the others general meeting, make such communications as shall be directed by their respective constituents, and deliberate on such matters as shall come before the body; but shall have no right to vote.

"That effectual measures be mutually taken to prevent injuries to the respective churches, from irregular and unauthorized preachers.

"To promote this end the Convention judge it expedient, that every preacher, travelling from the limits of one of these churches into those of the other, shall be furnished with recent Testimonials of his regular standing and good character as a preacher, signed by the moderator of the presbytery, or of the association, in which he received

...ce; or of a minister, of his good standing and character as such, from the moderator of the presbytery or association, where he last resided; and that he shall, previously to his travelling as a preacher into distant parts, further receive a recommendation from one member, at least, of a standing Committee, to be hereafter appointed by each body, certifying his good qualifications, as a preacher; so that the names of this standing committee shall be mutually communicated; and also that every preacher travelling and recommended as above, and submitting to the stated rules of the respective churches, shall be received as an authorized preacher of the gospel, and cheerfully taken under the patronage of the Presbytery, or Association, within whose limits he shall find employment as a preacher."
